ORDER RE: NOTICE OF PROBABLE VIOLATION

Background

1. Pursuant to 30 V.S.A. § 7001 et. seq., and Vermont Public Service Board Rule 3.800, the Vermont Department of Public Service ("Department") issued a Notice of Probable Violation of Underground Utility Damage Prevention System ("NOPV") to Green Mountain Power Corporation ("Respondent").
2. Incident Date: November 23, 2010
3. Incident Location: 2 Vale Ave./Nowland Farm Rd., South Burlington, VT
4. Name and Address of Company that Reported the Incident to the Department: Green Mountain Power Corporation, 163 Acorn Lane, Colchester, VT 05446
5. Date Incident Reported to Effected Utility: November 23, 2010
6. Date NOPV issued by Department: June 24, 2011 (#1987)
7. Department's Statement of Evidence Supporting the Alleged Violation: "The Department of Public Service investigated this incident and determined the following details. On 11/10/10, Yankee Plumbing and Heating Inc. made a notice of excavation activities to Dig Safe System Inc. Green Mountain Power did not completely locate and mark all of its underground facilities in the area of the proposed excavation. During the course of the excavation an unmarked GMP wire was struck and damaged by Yankee Plumbing and Heating Inc. This damage did not result in a service outage. Yankee Plumbing and Hearing Inc. notified GMP of the damaged facility. The Department of Public Service issued 4 Notices of Probable Violation (NOPV's) to Green Mountain Power Corporation during the 12 months preceding this incident."
8. Statute, Rule, Regulation or Order Allegedly violated: 30 V.S.A. § 7006

9. The Department's Recommended Remedial Action(s) (Including Civil Penalties): Civil penalty in the amount of One Thousand Two Hundred Dollars (\$1,200.00), and attendance at a Department-approved underground damage prevention seminar.
10. The Respondent has agreed to take the remedial action(s) recommended by the Department.¹

Conclusion and Order

Because the Respondent has not contested the NOPV, or the allegations therein, we conclude that the remedial action proposed in the NOPV is appropriate, and should be imposed.²

WHEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED by the Public Service Board of the State of Vermont that:
